MEN'S COACHES

JOHN DORE - HEAD COACH

Although head coach John Dore and his Concordia Stingers did not repeat as National Champions in 1991, the second year coach continued to demonstrate the ability and savvy that have made him one of the outstanding coaches in Canada. His peers obviously agree with that assessment as they voted him CIAU "Coach of the Year" for the 1990-91 season after Dore led the Stingers to their third consecutive OUAA division championship.

The Stingers under coach Dore's direction, made basketball history in 1990 when the first-year coach guided Concordia to a National Championship, a first for Quebec men's teams.

John came to Montreal in 1971, and played four years on the Loyola and then Concordia basketball teams. He was voted to the league all-star team three times and represented the school in three national championships.

Upon graduation, John accepted a position as department head of physical education and athletics at St. George's High School and was named assistant basketball coach of the Concordia women's team. His coaching career then took him to Vanier College where he compiled a 35-25 record and two playoff appearances in a two year stint. He returned to his alma mater in 1982 to become Doug Daigneault's number one assistant. He remained in that capacity until last June when he was selected to replace Doug Daigneault. And, the rest is history.

A native of Queen's, New York, John has been involved with the Sun Youth "Youth East" team for three years and also coached the Quebec Junior Elite Squad. During the summer months

John is the coordinator of the Fast Break Basketball Camp at Bishop's University. This September John was appointed Coordinator of Marketing and Communications for the department.

John and his wife Malka reside in the Town of Mount Royal with daughters Lisa and Lauren.

HARVEY LIVERMAN - ASSISTANT COACH

Coach Dore is quick to credit assistant coach Harvey Liverman for the amazing Concordia cage success over the last two years. Although he hasn't received a lot of publicity, the Montreal native has been an integral part of the Stinger programme.

Harvey provides the team not only with his basketball expertise, but also his genuine love for the game and Concordia. Harvey, a dedicated and enthusiastic player with Loyola College from 1968-1972, has approached his position at Concordia with equal determination since 1985. In addition to his responsibilities on the court, Harvey is actively involved in recruiting committed student-athletes who can carry Concordia's tradition of excellence into the 90's.

A fine all-round athlete, Harvey excelled in basketball and baseball. While en route to three MVP seasons with the Northmount High School "hoopsters", Harvey averaged 33 points a game. As a slick-fielding baseman with the St. Henri Juniors, he was scouted by the Philadelphia Phillies.

Harvey was instrumental in the Canadian team's bronze medal performance in the 1989 Maccabi Games as an assistant coach and is director of the highly successful Wingate Sports Camp at Pripstein's. He lives in Hampstead with his wife Elaine and his children Lauren and Jami.

WOMEN'S COACHES

MIKE HICKEY HEAD COACH

Mike returns to the Stingers coaching staff after a six year absence from the Concordia bench. He began his university coaching career when he took over the reins of Sir George Williams Georgians in 1973, directing them to a 56-18 record including back-to-back trips to the Nationals in a two-year stint. With the merger of Loyola and Sir George in the spring of 1975, Mike assumed the role of women's coach of Concordia. Coach Hickey has been named on three separate occasions as Quebec University Athletic Association "Coach of the Year." In 1985 he was appointed assistant coach of the National Women's team, under head coach Wayne Hussey, a position he held until 1988. Mike played one year at St. Michael's College (Vermont) where he obtained a B.A. degree in 1971. He was Q.U.A.A. All-Star while taking post-graduate studies at Sir George. He lives in Beaconsfield with his wife Judith and sons Christopher and Matthew.

SANDRA MULLINS ASSISTANT COACH

Sandra enters her first year in the coaching ranks after an illustrious playing career. She began her basketball career with the Brookwood Basketball Organization in 1976 and was a member of 8 league championship teams. From there she moved to John Abbott College where she helped quarterback the Islanders to a national title in 1987.

Sandra then spent four years at Bishop's University where she was named to the league all-star team twice and appeared in two national championships. She was also a member of the Quebec Provincial team in 1987 and the Canada Francophone Games Team in 1989.

Despite her age, Sandra has quickly proven to be a knowledgeable teacher of the game and will be a major asset as the Stingers begin to rebuild their programme.
